

FREQUENTLY ASKED QUESTIONS FOR SCHOOL WEBSITE

ADMISSIONS

- At what age do you take children in Nursery?
 - The admissions process to Nursery at IMPERIAL ACADEMY begins when the child has completed three years. Please always check the website for the actual eligibility criteria.

- What are the dates that I must keep in mind for admissions?
 - Parents are made aware of the admission in October.

- What is the procedure for admissions?
 - The first step towards the admission process is the online registration form available on our website in October or contact in person our Admission Cell at the School premises. Parents have to fill this form and submit it online or at the Admission Counter, followed by the payment of registration fees. This is followed by form filling, where both the parents are required to be present at a given date where they come in to the school premises to fill up the form. Parents along with children are then called for a personal interaction with Principal.

- Can you give me more information on the assessments that are a part of the application process?
 - At the Lower Prep stage, there is NO testing of students. For other Classes, no special preparation is required for this test as it helps give the school an idea about the aptitude of the student.

GENERAL INFORMATION

- Can students bring lunch from home?
 - Lunch service offered by the school is complimentary for Nursery to X and there are no charges for it. Students are free to carry lunch from home if they desire so.

- Do you have residential facilities in your school?
 - We are a day school and do not have residential or boarding facilities.

- What are the extra-curricular activities that the school offers?
 - IMPERIAL ACADEMY offers a wide variety of sports and art based extra-curricular activities on an inter-house and inter-school level. There are active sports teams available for students to join at every stage of their school journey like football, cricket etc. There are also various debate, quiz and drama competitions taking place across the academic year. Apart from sports, our students are offered dance, drama, art, music - Indian and western, yoga and also training in martial arts.

- How often do the parents get to meet the teachers?
 - The academic year begins with class-wise Parent Teacher Meetings. Open class for each grade is planned in the course of the year to review student progress on a personal level. Additionally, parents can seek appointments with individual teachers to discuss specific issues at any stage of the academic year.
- What kind of school trips are compulsory for students? Are the charges towards such trips included in the fees?
 - Students have to compulsorily go on an educational trip. Apart from that there are yoga and art camps from Grades 9 to Grade 12. The fees do not include charges towards such trips.

ACADEMIC INFORMATION

- How many students do you have in each grade? How many sections/divisions do you have in each class?
 - The student teacher ratio is 1: 15 for the lower grades. From Grade 6 onwards we maintain a class strength of 30 students and the class is split up for certain subjects which demand more personalized attention.
- What is your homework policy?
 - Homework is used as a skill-building tool and home work for the sake of it is not encouraged. Therefore from Grade 2 students would have homework that helps them to build on self-management or research skills.
- How is the assessment of the student done at various grades?
 - The assessment is done strictly according to the guidelines as prescribed and designed by CBSE from time to time.
- Do students take tuitions after school?
 - We do not encourage students to take tuitions. The personalized attention (small class sizes) and extra support given from the school generally suffice. However, when students have special needs that need support we conduct Remedial Classes.
- Do you have special-needs coaching for students with differing learning abilities?
 - We have a team of Special Educators, which supports the needs of students with differing learning abilities. Inclusive education is something the school has taken on consciously.
